

President's July Memo

Welcome back to Semester 2!

The USU board discussed a number of exciting new initiatives and updates at our July Meeting. Here are some highlights

1. Our new Board Directors

Welcome Zimeng, Lachlan, Decheng, Maya and Connor. All new Board Directors have showed exceptional diligence and enthusiasm throughout their induction process.

2. USU ODay

31st July is USU ODay - an orientation day for new students and a welcome back for everyone else. We will have over 100 clubs and societies stalls as well as opportunities for students to purchase or renew their USU Access membership.

3. Semester 2 Membership

USU ACCESS membership for semester 2 has dropped from our traditional \$45 to \$25. Additional incentives apply for returning members. Join at Manning, Wentworth ISL, on eastern Avenue or online: <http://www.usu.edu.au/>.

4. SSAF

The USU has received our SSAF allocation from the University, with a total of allocation of \$3,794,699.

5. Laneway

Laneway is undergoing renovations as we change the vibe of Laneway to a more organic aesthetic and menu. Laneway is located opposite the Student Centre in the Wentworth building, be sure to check it out! The new menu will include toasties, kombucha, healthy salads and will adopt a *farm to table* feel.

6. New "What's On" Calendars

Giant events calendars are up in the Holme building, Manning and ISL. These calendars are designed to be interactive so that C&S can write up their events on these calendars and advertise their events to all students.
